

SoFEC INTERNATIONAL LATARJET MASTERCLASS

Scientific Program

FEBRUARY 4, 2027

19:00 - 19:45 | Welcome

19:45 – 20:30 | Lecture Session :

- History of the Latarjet Procedure : **A. Walch (Lyon)**
- History of Bristow Procedure : **P. Teissier (Montpellier)**
- Trillat Procedure : **P. Valenti (Paris)**
- Latarjet Open : **P. Boileau (Nice)**
- Latarjet Arthro : **T. Lafosse (Annecy)**

20:30 – 22:30 | Dinner

FEBRUARY 5, 2027

08:00 | Welcome

08:30 – 10:00 | Lecture Session :

General concern about latarjet :

- Indications in France : **J. Garret (Lyon)**
- Indications Outside France (clinical: age, sport) : Europe : **A. Hachem (Barcelona)** / Outside Europe : **N. Mizuno (Osaka)**
- Contraindications : **A. Godenèche (Lyon)**
- Biomechanical Considerations : **G. Nourissat (Paris)**
- Latarjet Procedure – Where are the nerves & Anatomy (Dissection) : **T. Lafosse (Annecy)**

Surgical procedures :

- Open Latarjet : **L. Neyton (Lyon)**
- Tips & Tricks : **S. Grosclaude (Lyon)**
- Open Endobutton : **P. Boileau (Nice)**
- Arthroscopic Endobutton : **P. Teissier (Montpellier)**
- Arthroscopic Cerclage : **A. Hachem (Barcelona)**
- Arthroscopic screw : **J. Kany (Toulouse)**

10:00 – 10:30 | Coffee Break

10:30 – 12:00 | Wet Lab – Session 1

- Hands-on practice supervised by faculty experts

12:00 – 13:00 | Lunch

SoFEC INTERNATIONAL LATARJET MASTERCLASS

Scientific Program

13:00 – 14:30 | Lecture Session

Optimizing the results :

- Optimal graft positioning (flush/cartilage/bone/vertical or horizontal) – Postoperative imaging: resorption / remodeling over time :

J. Barth (Grenoble)

- Choosing between Open/Mini-Open/Arthroscopic : **N. Bonneville (Toulouse)**
- >10-Year Results : **N. Mizuno (Osaka) / J. Barth (Grenoble)**
- Return to sport / Rehabilitation : **G. Franger (Lyon)**

Complications and revision :

- Early Complications : **G. Nourissat (Paris)**
- Late Complications : **A. Godenèche (Lyon)**
- Management of Nonunion : **J. Garret (Lyon)**
- Nerve Complications : **T. Lafosse (Annecy)**
- Failed Latarjet : Definition and Analysis : **JD Werthel (Paris)**
- Painful Latarjet (Screw Removal) : **P. Métais (Clermont-Ferrand)**
- Recurrence after correct Latarjet : **L. Neyton (Lyon)**
- Recurrence after bad Latarjet : **P. Métais (Clermont-Ferrand)**
- Latarjet Revision Surgery : **P. Boileau (Nice)**
- OA After Latarjet : **P. Valenti (Paris)**
- Failed Subscap after Latarjet : **JD Werthel (Paris)**

14:30 – 15:00 | Coffee Break

15:00 – 15:30 | Clinical Case Discussion

15:30 – 17:00 | Wet Lab – Session 2

- Hands-on practice supervised by faculty experts

17:00 – 17:30 | Debriefing & Take-Home Messages

17:30 | End of day
